Subject: Rule Review and Readoption: 28 TAC Chapters 160, 165, 166, and 180

The Texas Department of Insurance, Division of Workers' Compensation (DWC) is readopting all sections in the following chapters in Title 28, Texas Administrative Code:

- Chapter [160](#) (Reports of Injury and Occupational Disease--General Provisions);
- Chapter [165](#) (Rejected Risk: Injury Prevention Services);
- Chapter [166](#) (Accident Prevention Services); and
- Chapter [180](#) (Monitoring and Enforcement).

The notice of proposed review was published in the August 29, 2025, issue of the *Texas Register* at 50 TexReg 5719. DWC received no public comments or hearing requests by the September 29, 2025, deadline.

DWC is readopting these rules in accordance with Texas Government Code [§2001.039](#), which requires a state agency to review each rule every four years and readopt, readopt with amendments, or repeal the rule. DWC has determined that the reasons for initially adopting these rules continue to exist.

The readoption will be published in the November 7, 2025, issue of the *Texas Register* and will be available at [www.sos.state.tx.us/texreg/index.shtml](http://www.sos.state.tx.us/texreg/index.shtml) once published. DWC will also post a copy on the website at [www.tdi.texas.gov/wc/rules/rulereview.html](http://www.tdi.texas.gov/wc/rules/rulereview.html).

DWC may consider any suggested repeals or amendments identified during this rule review in future rulemaking under Texas Government Code Chapter [2001](#) (Administrative Procedure).
